

CHAPPELL HILL GARDEN CLUB MINUTES August 9, 2017

President Dale Ramey opened the short meeting at 10:10 AM at *The Garden Company* restaurant in Round Top. We welcomed two new members and a returning former member. Dale announced that Brianna's Dressing is sponsoring our club's Christmas Home Tour with a \$1,000 donation! For that, we are most grateful.

The *291 Ice House* will be having a fundraiser to have Chappell Hill professionally decorated for the Christmas Season. Won't that be a happy happening? The date will be announced, as we know more. We certainly will want to be consuming customers and encourage friends and family to purchase food, so we can have the cutest little town in Texas.

Attendees: 21 **New Members:** Diane Wann, Mary Ann Urban, and returning Melody Brooks

Bennie, then, gave a pep talk to encourage one and all to participate in the distribution of our Christmas tour flyers and gathering more sponsors. We still need all the sponsors we can get. Even if you're doubtful a business might be interested, there is always the possibility that they will help a little. She also passed around a sign-up sheet for Bobby Ramey's homecoming! After a long and tough time in the hospital and rehab, both he and Dale are just tired and worn. By each member taking a meal, that will be one thing that Dale doesn't have to plan, shop and cook.

For those who were unable to attend the luncheon, we have to gloat and tell you that we had a great time with delicious food!! The restaurant is a restored old house that is adorable, and the menu is outstanding.

See you next month,

Ellen Mills
Secretary
