

## Chappell Hill Garden Club

April 14, 2021

The Chappell Hill Garden Club meeting opened in prayer by Susan Baumann at 10:02. Present were 24 members and one guest, Amanda Hafer. Cheryl Robinson read the Chappell Hill Garden Club Poem.

Dale Ramey thanked the members for the love and support after the death of her husband, Bobby. A mass will be held for Bobby at St. Stanislaus Catholic Church at 8 am Friday, April 16.

A motion to approve the March 10, 2021 minutes was made by Bennie Yates and seconded by Tommie Montgomery. The minutes were approved.

**Programs** The plant swap and lunch will be held May 12 at Diane Wann's home, or Debi Faver's home as a backup. Members should bring a nice plant and a side dish. Loyce Jardell passed around a sign-up sheet for sides. Bring a plant you would like to take home.

The June trip to see sunflowers in Snook may be rescheduled.

**Scholarship** A \$1,000 scholarship has been approved for Ileesha Bradford. Ileesha was a scholarship recipient in 2020 and is a second year student at Blinn. An additional \$1,000 has been given to Texas Brigade for students to attend camp.

**Fourth of July Float** Debi Faver is working on an entry for the Chappell Hill Fourth of July Parade. A sign-up sheet was passed around to help with the entry. Debi asked for volunteers to bring their golf carts.

**Main Street Cleanup** Debi Faver thanked the 18 volunteers who helped with cleanup on April 7. She gave the volunteers a token of appreciation. The Post Office and Main Street looked beautiful, overflowing with bluebonnets after the cleanup. After the festival, most of the bluebonnets were flattened and squashed by people stepping and sitting on them. Next year, signs and or barriers will be put up to protect the flowers.

Debi asked for more volunteers to water on Main Street, beginning in June on Mondays and Fridays. If volunteers are unable to water on Monday or Friday, they may water one or two days later. A training session on watering will be held on Thursday, May 13.

**Memory Garden** Dale Ramey thanked Debbie Roberts for the beautiful Memory Garden. Additional plants will be needed soon.

**Seed Library** Debbie Roberts asked members if they want to continue the seed library and everyone agreed they did. Debbie Roberts and Debi Faver will coordinate to plant some of the seeds on Main Street.

Mary Ann Urban gave seeds to Bob Markos for the garden club. Debbie Roberts will contact Bob to get the seeds.

**Scrapbook** Cheryl Robinson will help Karen Kubeczka with the scrapbook.

**Membership Concerns** Dale Dugas lost her mother.

Being no further business, Susan Baumann moved to adjourn; Nikki Rooney seconded, and the meeting adjourned at 10:41.

Jana Lefebvre gave an interesting program about her flower business, Garden Full of Blooms. Shirley Rigamonti gave Jana a gift certificate to thank her for the program. Members went to see Jana's beautiful flower beds after the program.

Respectfully submitted,

Carol Madeley  
Secretary
